Taiwan Application No. 78-106090

Dear Beverly:

This is in response to John Bass's February 22, 1990 letter to you, copied to us. Regarding our Taiwan associates' proposed amendments to claims 5-8 and 18 and 19, we have no objection.

Regarding the proposed new title and abstract, our only suggestion is to include ", for example, cylindrical" after "shape" in the third to last line.

Please do not hesitate to call if you have any questions.

With best regards.

Very truly yours,

Robert M. Isackson
